Dear George,

It was a great treat to have a chance to visit during dinner at the St. Louis Round Table last Tuesday evening. I enjoyed the entire evening and much appreciated the warmth and support that were apparent in the audience.

You were very generous in suggesting that I send you a resume. I do want you to know how much I appreciate that thought. I don't believe I should in any way indicate that I'm looking for other work until the President-Elect tells me whether he is going to replace me or continue me in my present job. If that situation is clarified on the side of my leaving the Government, I would be most appreciative of the opportunity to get your suggestions on where I might be useful next. In the meantime, I thank you again for thinking of me in this regard.

All the best.

Yours,

STANSFIELD TURNER

Mr. George Capps
